Click Boxes

New patented technology collapsible softboxes with unique "Click" system.

Sizes of 16 roads Softboxes: 180 cm, 140 cm, 120 cm.

Click Box Zoom

New patented technology collapsible softboxes with a unique "Click" system and a Zoom pole.

the metal "Click" elements allow you to assemble a 180 cm, 140 cm, 120 cm soft box within 20 s. The Zoom pole for moving the flash head delivers several types of light in one softbox.

EXL Softboxes

A unique manufacturing technology with a lattice two-ply fabric is a guarantee for a long life of the softbox as well as a prevention from yellowing of the front and middle diffusion fabrics.

- 2 fabric layers manufacturing technology - Waterproof
- UV coating (UV-R, UV-A)
- Silver inner surface
- thermal resistance
- 2 diffusion cloths for light softening - 2 ventilation gaps
